

Energyright - 10 kVA Three Phase Transformer

Description

Providing 10 kW of continuous power, our 3 phase transformer features 110V single phase multiple outlets for heavy-duty power demand.

- Fitted with multiple 16 A and 32 A sockets
- Features 110V single phase multiple outlets

Unit Specification:

Amps	16/32A
Continuous Power	10kW
Input Amps	32/64A
Output Voltage	16A/32A
Voltage	415V
Weight	89kg
kVA	10kVA
Phase Type	3
Power Outlet Sockets	16A/32A
